Socially Responsible Target Return	10.0%	5.2%	9.1%	6.7%	11.3%

The Socially Responsible Portfolio's investment strategy is based on a highly diversified socially screened portfolio of assets with a keen awareness of risk. This balanced approach, consistently executed, reconciles the market's often volatile nature, with our focus on long-term, steady growth over decades.

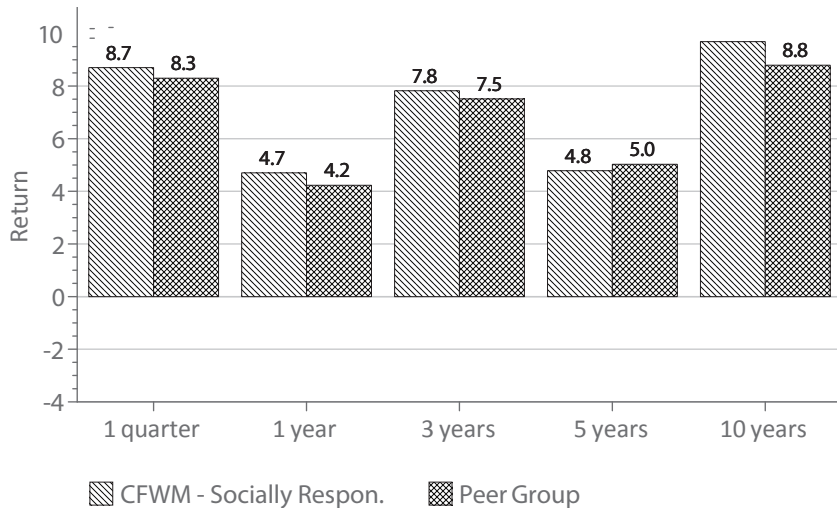

Maintaining diversification through investing in a broad mix of assets (stocks vs. bonds, etc.) is an important part of achieving our long-term return objectives.
