The Short-Term Portfolio's investment strategy is based on a portfolio of short-term low-risk assets, with a keen awareness of risk. Investments have a maturity of less than 90 days.

Maintaining diversification through investing in a broad mix of short-term securities is an important part of achieving our long-term return objectives.

The investment philosophy in this strategy has a focus on low-cost adherence to the stated investment policy. We are confident that, over the long term, diversification and discipline will serve the assets of the Short-Term Portfolio well.
